

Saskatchewan Geological Open House

Technical Session Abstract Submission Form

November 23 to 25, 2026
TCU Place Convention Centre
35 – 22nd Street East
Saskatoon, Saskatchewan
S7K 0C8

Guidelines for Submission

Technical session presentations should be focused on

- 1) Advances in our understanding of the geology of Saskatchewan,
- 2) Exploration and development projects in the province, or
- 3) Innovative mineral exploration techniques and technologies applicable to mineral deposit discovery, preferably featuring Saskatchewan-based case studies.

Maximum 500 words (excluding title and authorship)
Do not use figures, tables, or photos in the abstract

How to Submit

-There is no fee for submitting an abstract and authors may submit abstracts on more than one topic. Successful abstracts will be selected by the Technical Session Organizing Committee and allotted to relevant sessions based on topic.

-Please send this completed form to abstracts@sgoh.ca.

-Submission deadline is **October 1st, 2026**.
